National Disaster Risk Reduction and Management Center, Camp Aguinaldo, Quezon City, Philippines

NDRRMC UPDATE

**Sitrep No. 01 re Preparedness Measures and Effects for
Tropical Depression "VICKY"**

Releasing Officer:

UNDERSECRETARY RICARDO B JALAD
Executive Director, NDRRMC and
Administrator, OCD

DATE: 19 December 2020, 8:00 AM

Sources: DOST-PAGASA, DILG, DSWD, DPWH, and OCDROs MIMAROPA, VI, VII, IX, X, XI, and CARAGA

I. SITUATION OVERVIEW

18 December 2020

At 4:00 AM, The Low Pressure Area East of Mindanao has developed into Tropical Depression "VICKY". Its center was estimated at 210 km East of Davao City with maximum sustained winds of 45 km/h near the center and gustiness of up to 55 km/h moving West Northwestward at 15 km/h. **TCWS No. 1** was hoisted in Luzon over Cuyo Islands and Cagayancillo Islands; Visayas over the southern portion of Leyte, Southern Leyte, the central and southern portion of Cebu including Camotes Islands, Bohol, Siquijor, Negros Oriental, Negros Occidental, Guimaras, the central and southern portions of Iloilo, and the southern portion of Antique; and Mindanao over Dinagat Islands, Surigao del Norte, Surigao del Sur, Agusan del Norte, Agusan del Sur, Davao Oriental, Davao de Oro, Davao del Norte, Davao City, the northern portion of Davao del Sur, Camiguin, Bukidnon, Misamis Oriental, Misamis Occidental, Lanao del Norte, Lanao del Sur, the northern portion of Maguindanao, Cotabato City, North Cotabato, the northern portion of Zamboanga del Sur, and the northern portion of Zamboanga del Norte.

At 7:00 AM, TD "VICKY" continues to move west-northwestward towards the Davao Oriental-Surigao del Sur area. **TCWS No. 1** was also hoisted in Luzon over the northern and central portion of Palawan; and Mindanao over Maguindanao, Zamboanga del Sur, and Zamboanga Sibugay.

At 10:00 AM, TD "VICKY" slightly slows down as it moves closer towards the Davao Oriental - Surigao Del Sur area. **TCWS No. 1** was also hoisted in Luzon over Calamian Islands.

At 1:00 PM, TD "VICKY" maintains its strength and is about to make landfall over Davao Oriental. Areas under **TCWS** will have strong to breeze to near gale conditions during the passage of the tropical cyclone.

At 4:00 PM, the center of TD "VICKY" was estimated in the vicinity of Monkayo, Davao de Oro with maximum sustained winds of 45 km/h near the center and gustiness of up to 75 km/h moving West Northwestward at 15 km/h.

At 7:00 PM, TD “VICKY” accelerated and was over Esperanza, Agusan Del Sur with maximum sustained winds of 45 km/h near the center and gustiness of up to 75 km/h moving Northwestward at 30 km/h.

At 10:00 PM, TD “VICKY” was over the Bohol sea after emerging offshore from the coast of Misamis Oriental. TCWS No. 1 was also hoisted in Luzon over Kalayaan Islands and in Mindanao over the northwestern portion of North Cotabato and central portions of Zamboanga del Norte.

II. EFFECTS

A. INCIDENTS MONITORED

A total of **10 incidents** were monitored in CARAGA due to TD “VICKY”.

TYPE OF INCIDENT	NO. OF INCIDENTS	PROVINCE/ CITY/MUNICIPALITY	REMARKS
Flooding	9	Bislig City, Surigao del Sur; and Municipalities of Prosperidad, San Francisco, and Rosario, Agusan del Sur	Ongoing evacuation of residents.
Landslide	1	Brgy. San Rafael, Bislig City, Surigao del Sur	3 households were affected. No casualty was reported.

B. AFFECTED POPULATION

A total of **338 families / 1,525 persons** in **13 barangays** in Regions X, XI, and CARAGA were affected due to TD “VICKY” and are currently evacuated in 9 ECs:

REGION/PROVINCE/ CITY/MUNICIPALITY	AFFECTED			NO of ECs	INSIDE EC	
	BRGY	FAM	PERS		FAM	PERS
TOTAL	13	338	1,525	9	338	1,525
REGION X	2	88	327	-	88	327
Bukidnon						
Valencia City	2	88	327	-	88	327
REGION XI	7	177	862	4	177	862
Davao De Oro						
Pantukan	4	99	464	1	99	464
Nabunturan	3	78	398	3	78	398
CARAGA	4	73	336	5	73	336
Surigao del Sur	4	73	336	5	73	336

Source: OCDROs

C. STATUS OF LIFELINES

1. Roads and Bridges

A total of five (5) road sections in Regions XI and CARAGA are not passable due to flooding, landslide, soil collapse, and toppled electric post:

REGION/PROVINCE/ CITY/MUNICIPALITY	ROAD SECTION	STATUS	REMARKS
REGION XI			
Davao de Oro	Maragusan-Pantukan Road	Not passable due to landslide	
	Km 6, Brgy. Malamudao, Maco	Not passable due to toppled electric post	

CARAGA			
Agusan del Sur (2 nd DEO)			
1. Daang Maharlika (Agusan-Davao Section)	a. K1335+150, Bayugan III, San Francisco, Agusan del Sur	Not passable due to flooding	Deployed manpower to assist the travelling public
	b. K1322+888, Tagbayagan, Rosario, Agusan del Sur		
2. NRJ San Francisco-Bahi-Borobo Road	K1315+645, Brgy. Bahi, Barobo, Agusan del Sur	Not passable due to soil collapse	Ongoing clearing operations and removal of uprooted trees

III. DISASTER PREPAREDNESS

A. NATIONAL DRRM COUNCIL (NDRRMC)

1. NDRRM Operations Center (NDRRMOC)

- Maintained RED ALERT Status since COVID-19 response operations.
- Continuous monitoring, and ensure dissemination of Weather Advisories and General Flood Advisories to all concerned RDRRMCs/OCDROs through SMS, NDRRMC website, and official social media sites for further dissemination to their respective Local Disaster Risk Reduction and Management Councils (LDRRMCs).
- Prepared a total of **15** Emergency Alert and Warning Message (EAWM) for dissemination of Telecommunication Companies to the affected areas.

2. Philippine Atmospheric Geophysical Services Administration (PAGASA)

- Continuous weather monitoring and provision of weather updates.

3. Department of the Interior and Local Government (DILG)

- Issued a memorandum on the activation of the Disaster Online Reporting and Monitoring System (DORMs) for TD "VICKY" to DILG Regional Offices in MIMAROPA, VI, VII, VIII, IX, X, XI, XII, CARAGA, and BARMM, and directed all regions concerned on the following:
 - Advised concerned LGUs to establish critical preparedness actions based on the Operation LISTO Protocol, and DILG Memorandum Circular No. 2020-125 – LISTO SA TAG-ULAN AT COVID19: Preparedness Measures of LGUs for the Rainy Season CY 2020, and prioritize the repositioning of supplies, equipment, and personnel for response.
 - Ensure LGUs to actively carry out actions enjoined in Operation LISTO protocols, and DILG Memo Circular no. 2020-125 and more if necessary, to prepare communities, especially those in low-lying and/or flood and landslide-prone areas, highways, riverbanks, and coastal areas, including fishermen.
 - Remind LGUs to assess the structural integrity of the structures that will be used for evacuation and other related purposes, and ensure that it can withstand the strong winds brought about by TD "VICKY".
 - Continue to monitor all PAGASA weather advisories and bulletins, Met-Hydro Decision Support InfoSYS, ASTI Philsensors, and MGB Geo-Hazard Web Portal.
 - Assist the RDRRMC in coordinating with LGUs and ensure that existing LGU COVID19 testing requirements will not hamper the entry, passage, and

operations of all government and the private sector disaster response personnel.

- b. Regional and field offices informed and recommended all concerned LGUs the following actions:
 - Activate concerned BDRRMCs for early warning measures and vigilant monitoring of areas with settlements at the base of sliding slopes or ridges with manifestations of rockslide/landslide, tension cracks, and areas identified as very high/critical landslide zones.
 - Vigilant monitoring and reporting of weather disturbances and other incidents.
 - Vigilant monitoring of river waters and settlements in low-lying areas.
 - Implement pre-emptive evacuation in areas with high to very high susceptibility to storm surge, floods, and landslide, especially residents whose dwellings are susceptible to damage due to strong winds.
 - Ensure the observance of COVID19-related protocols such as physical distancing, wearing of face mask, frequent washing of hands, and regular disinfection of evacuation centers.
 - Restrict tourist activities such as but not limited to mountaineering, hiking, surfing, and diving within their areas of responsibility (AOR).
 - Enforce a non-fishing policy and ensure that sea travel and small-scale fishing activities are closely monitored and prohibited.
- c. Reiterated to all Regional and LDRRMCs on the preparedness guidance for TD "VICKY".
- d. Continuously provided all available information to all concerned DILG Regional and Field Offices re TD "VICKY" through texts and emails.

4. Department of Social Welfare and Development (DSWD)

- a. The DSWD Central Office (CO), Field Offices (FOs), and National Resource Operations Center (NROC) prepositioned stockpiles and standby funds amounting to **₱779,958,349.25** with breakdown as follows:

Standby Funds

A total of **₱182,704,546.23 standby funds** in the CO and FOs. Of the said amount, **₱140,084,929.19** is the available **Quick Response Fund (QRF)** in the CO.

Stockpiles

A total of **230,191 family food packs (FFPs)** amounting to **₱107,686,479.11**, **other food items** amounting to **₱167,935,065.82** and **non-food items (FNIs)** amounting to **₱321,632,258.10** are available.

REGIONAL / FIELD OFFICE	STANDBY FUNDS	FAMILY FOOD PACKS		OTHER FOOD ITEMS	NON-FOOD RELIEF ITEMS	TOTAL STANDBY FUNDS & STOCKPILE
		QUANTITY	TOTAL COST	TOTAL COST	TOTAL COST

Note: The Inventory Summary is as of 18 December 2020, 4:00 PM.

- b. Placed all QRT members and emergency equipment on standby ready for deployment.
- c. Disaster Response Management Bureau (DRMB) is closely coordinating with the concerned field offices for significant disaster response updates.

5. Department of Public Works and Highways (DPWH)

- a. Deployed DPWH personnel and maintenance crew to affected areas.
- b. Ongoing clearing operations.

B. REGIONAL DRRM COUNCILS (RDRRMC)

RDRRMCs MIMAROPA, VI, VII, IX, X, XI, and CARAGA are continuously monitoring its areas of responsibility. Further, said RDRRMCs are in coordination with their respective member agencies to ensure the widest dissemination of Weather Advisories, 24-hour Public Weather Forecasts, and General Flood Advisories through SMS, facsimile, and official social media websites.

1. RDRRMC MIMAROPA

Office of Civil Defense (OCD) MIMAROPA

- a. Conducted PDRA meeting via zoom on 18 December 2020, 3:00 PM.
- b. Issued memorandum No. 271 re Emergency Preparedness Actions for TD "VICKY" to all P/C/MDRRMCs of MIMAROPA.
- c. Ensured functionality of all communications equipment.
- d. Continuous coordination with response agencies and concerned LGUs re situational updates and the possible effects of TD "VICKY".

Department of the Interior and Local Government (DILG) MIMAROPA

- a. Activated the Disaster Monitoring and Reporting System for Tropical Cyclone.
- b. Disseminated DILG Advisories and MGB's updated list of LGUs susceptible to landslide and flooding to provinces and municipalities down to the barangay level.
- c. Ensured that LGUs are actively carrying out actions as recommended in Operation L!STO.
- d. Established critical preparedness actions based on Operation L!STO protocols, and prioritize pre-emptive evacuation and prepositioning of supplies and equipment for response.

Department of Social Welfare and Development (DSWD) MIMAROPA

- a. Ensured the availability of 23,025 family food packs (FFPs) as of 18 December 2020, standby funds amounting to ₱1,903,226.58, food packs amounting to ₱10,361,250.00, other food items (raw materials) amounting to ₱1,765,909.00, and non-food items amounting to ₱4,452,425.80.
- b. Alerted the Disaster Response Management Division and SWADT Offices to monitor the daily local weather condition and ensure provision of information to all concerned offices, divisions, sections, and offices.
- c. Placed R/P/C/M Quick Response Teams on standby.

- d. Coordinated with the OCD and RDRRMC MIMAROPA for any warning signal updates response mechanism for areas that will be affected.
- e. Ensured logistical equipment and workforce on standby for the management of stranded passengers in ports and terminals.
- f. Placed the Information and Communications Technology Management Unit on standby to ensure robust communication system.
- g. Ensured that there is an on-call truck that is available for delivery of goods and equipment to areas that will be affected.

Department of Health Regional Office (DOH RO) MIMAROPA

- a. Activated the Code Alert Status in DOH Regional and Provincial Offices, DOH retained hospitals through Health Emergency Response and Operations Center.
- b. Placed the Regional Office on Code Red Alert.
- c. Placed the Response Teams and all logistics and manpower on standby.
- d. Continuous monitoring of all health-related events including all regional and local events with potential impact to a particular area.
- e. Coordinated with regional hospitals for their preparedness and availability of backup teams.
- f. Ensured that all communications equipment are always available and functional.
- g. Facilitated the issuance of appropriate warnings to all concerned health offices.
- h. Prepositioned drugs, medicines, and dome tents in regional and provincial DOH offices.

AFP WESCOM and SOLCOM

- a. Alerted the JTF-ICARE to monitor and track TD "VICKY".
- b. Placed air and naval assets and rescue teams on standby.
- c. Coordinated with LGUs within AOR.

Bureau of Fire Protection (BFP) MIMAROPA

- a. Placed assets, personnel, and teams on standby for possible deployment.
- b. Coordinated with LGUs, NGOs, and other Government agencies to the operational activities.
- c. Alerted Disaster Response Team for possible deployment.

Department of Agriculture (DA) MIMAROPA

- a. Continuous conduct of rehabilitation projects such as rice seed, vegetable seed, urea and inoculant fertilizer, and seedling.
- b. Identified vulnerable areas and areas of standing crops.

Department of Education (DEPED) MIMAROPA

- a. Disseminated advisories from PAGASA to divisions office.
- b. Instructed Division DRRM coordinators to monitor, advice, and remind SDRRMCs re the prevailing weather situation.
- c. Instructed field offices to closely coordinate with LGUs for local inter-agency actions to be undertaken.

Department of Information and Communications Technology (DICT) Luzon Cluster 3

- a. Placed assets on standby within provinces for constant communication.
- b. Alerted provincial offices to conduct maintenance check of ICT offices for possible leaks on premises to assure equipment's safety.
- c. Conducted inventory of equipment per province.

- d. Coordinated with DRRM offices and different LGUs to monitor the different centers and free WiFi sites.

Department of Public Works and Highways (DPWH) MIMAROPA

- a. Reactivated the DRRMT and deployed maintenance crew facilities and equipment in various road sections prone to landslide, flood, and possible road section to be affected.

PCG Southern Tagalog

- a. CGDSTL stations/sub-stations prepared rescue equipment for possible deployment of DRTs within the respective AOR.
- b. Continuous monitoring and dissemination of weather advisories to LGUs, NGOs, maritime stakeholders, Bantay Dagat Organization and fisherfolks.
- c. Advised fishing boats and other small seacrafts not to venture out in the sea while larger sea vessels are alerted against big waves.
- d. Placed response teams, assets, and rescue equipment on standby.

Philippine Information Agency (PIA) MIMAROPA

- a. Disseminated weather forecasts through News on the Go SMS version and situational reports of provincial information center managers.
- b. Sourced out weather forecasts and advisories.

Police Regional Office (PRO) MIMAROPA

- a. Ensured availability of SAR assets and personnel.
- b. Alerted all Police Provincial Office down to their lower units to continuously monitor the situation within its respective AORs.
- c. Directed lower units to undertake precautionary measures and other disaster preparedness activities.
- d. Directed all members of the Regional Headquarters and Regional Mobile Force Battalion SAR team to be ready for any possible SAR operations.

PDRRMC Oriental Mindoro

- a. Activated the EOC.
- b. Continuous monitoring and dissemination of weather advisories.
- c. Coordinated with MDRRMOs relative to the weather disturbance.
- d. Prepositioned rescue equipment and conducted radio communication testing.
- e. Coordinated with PSWDO re stockpile, response agencies re Disaster response operation, and DPWH re availability of equipment and assets.

CDRRMC Calapan City

- a. Prepositioned rescue equipment in flood-prone barangays.
- b. Coordinated with CDRRM council members.
- c. Conducted inventory of evacuation center.

PDRRMC Marinduque

- a. Maintains Red Alert Status and Full Activation of EOC.
- b. Coordinated with MDRRMOs re preparedness measures and actions taken.
- c. Continuous monitoring of weather updates and posting in social media.
- d. Prepositioned food, non-food items, cadaver bags, medicines, and medical supplies.
- e. Placed response teams, assets, and equipment on standby.
- f. Prepositioned genset, heavy equipment, rubber boat, patrol vehicles, ambulance, and rescue vehicles.

PDRRMC Romblon

- a. Activated the EOC.
- b. Continuous monitoring of weather updates through radio broadcast, television, and windy apps.
- c. Continuous monitoring of water level in flood controls and river dikes and implement safety measures to residents living in the area.
- d. Reminded all MDRRMOs to stay alert and monitor the areas considered as highly or very high susceptible to floods, landslide and storm surge within their AOR.
- e. Ensured the implementation of No Sail Policy in all seacrafts in case of weather condition deteriorates.
- f. Monitored the water levels in the riverbanks and settlements in low-lying areas.
- g. Placed rescue equipment, teams, and assets on standby.

PDRRMC Palawan

- a. Prepositioned response teams, equipment, and assets.
- b. Continuous monitoring of AORs for any untoward incidents and undertake precautionary measures.
- c. Disseminated weather advisories to MDRRMOs.
- d. Prepositioned food and non-food items, sea vessels, satellite phone, and radio.
- e. Coordinated with neighboring LGUs relative to sharing resources during possible response operations.
- f. Conducted Emergency Response Preparedness inspection to assess municipalities of their response capabilities and to ensure the implementation of health standards during actual operations.

CDRRMC Puerto Princesa

- a. Placed response teams and vehicles on standby.
- b. Activated the EOC.
- c. Prepositioned response equipment and portable temporary shelter.
- d. Issued memorandum to BDRRMCs re Activation of EOC and preventive measures.

PDRRMC Occidental Mindoro

- a. Continuous dissemination of weather advisories to LDRRMCs through radio station, text blasts, and social media pages.
- b. Coordinated with MDRRMOs on the preparation of evacuation centers, prepositioning of food packs, equipment, and assets.
- c. Advised MLGUs to conduct PDRA and preparedness actions considering health risks.
- d. Alerted PQRTs for possible response operations.
- e. Placed rescue teams, assets, and equipment on standby.

2. RDRRMC VI**OCD VI**

- a. Conducted Regional PDRA re TD "VICKY" on 18 December 2020, 10:00 AM.
- b. Disseminated warning advisories and issuances.
- c. Coordinated with the 6 PDRRMOs and 2 CDRRMOs for updates.

DOST VI

- a. Ensured the continuous operation of the Bantay Panahon.
- b. Ensured the functionality of Coastal Radar between Iloilo and Bacolod.
- c. Regular issuance of warning advisories such as water level and amount of rainfall through the Bantay Panahon website.

- d. Continuous monitoring of early warning equipment installed in various local government unit.

DILG VI

- a. Activated the EOC and DORMS.
- b. Disseminated Critical Cyclone Track Chart, RDRRMC issuances, and all PAGASA weather advisories and typhoon bulletins.
- c. Continuous monitoring of Met-Hydro Decision Support Information System, ASTI Philsensors, MGB Geo-hazard web portal, and Bantay Panahon for additional information and reference about the TC.
- d. Advised concerned LGUs to establish preparedness actions based on the Operation L!STO protocols and DILG Memorandum Circular 202-125 on L!STO sa Tag-ulan at COVID19.

DSWD VI

- a. Issued advisory to all QRT to monitor its respective local situation.
- b. Ensured the availability of around 9,821 family food packs at the regional warehouse.
- c. Prepositioned 26,116 goods in the different provinces.

DOH VI

- a. Activated the Health Emergency Alert Reporting System (HEARS).
- b. Placed CHD HEMS Quadcluster team on standby ready for deployment.

MGB VI

- a. Disseminated List of Barangays Susceptible to Landslide and Flooding based on the DOST-PAGASA rainfall data as of 18 December 2020.
- b. Advised all LGUs to consult the geohazard maps and to check the susceptibility of its respective AOR to flooding, flashfloods, and rain-induced landslide; and to be ready to evacuate in case of an imminent danger.
- c. Advised the Province of Guimaras to consult the sinkhole map to determine the LGUs that are susceptible to sinkhole which likewise, are prone to flooding and flashflood.

PCG VI

- a. Placed all sub-stations on alert status.
- b. Ensured to provide advisories on the cancellation of trips at any moment due to the weather condition.
- c. Ensured that floating assets are ready for deployment and placed responders on alert status.

PNP PRO VI

- a. Placed on full alert status.
- b. Ensured that all resources are ready for deployment.

3ID, PA

- a. Activated all Disaster Task Group and alerted the Disaster Response Task Units under Infantry Brigades.
- b. Organized the Disaster Relief Rescue Operation (DRRO) team and ready for possible deployment.
- c. Conducted equipment inventory ensuring that it is serviceable and on standby.

PDRRMC Aklan

- a. Monitored the river basins through the DOST automated weather system (AWS).

- b. Disseminated all PAGASA bulletins and advisories to LGUs through social media.
- c. Conducted regular maintenance of rescue equipment.
- d. Ensured that Aklan Sports Complex is ready to be utilized as evacuation centers if the need arises.
- e. Coordinated with the Provincial Health Office on health protocol to be observed at the evacuation centers.

PDRRMC Antique

- a. Continuous monitoring and risk assessment of P/MDRRMC within its respective AOR.
- b. Conducted PDRA at the Venue Hotel, Funda-Landing, San Jose de Buenavista, Antique.
- c. Pre-activated the Provincial Response Cluster and Provincial RDANA Team.
- d. Activated the EOC at all level to Blue alert on 18 December 2020.
- e. Issued a PDRRMC memo/advisory to all MDRRMC/Os to be on-alert, make precautionary measures for the possible adverse of the typhoon, monitor the development of the weather disturbance, and conduct on-site assessment of respective AOR.
- f. Provided updates of the weather and other related information to the media and PDRRMC from time to time.
- g. Placed all QRT on standby alert and ready for possible deployment.

PDRRMC Capiz

- a. Conducted PDRA on 18 December 2020.
- b. Prepositioned goods, resources, and hygiene kits in strategic LGUs.
- c. Disseminated PAGASA advisories to LGUs.
- d. Monitored LGUs that are prone to flooding/flashflood.
- e. Placed response units on standby.

PDRRMC Guimaras

- a. Alerted the Municipal and Barangay DRRMCs.
- b. Continuous monitoring of weather bulletins and forwarded the same to respective Municipal and Barangay DRRMs for information.
- c. Conducted PDRRMC emergency meeting re preparedness measures for TD "VICKY".
- d. Prepositioned stockpile, supplies, and disaster equipment.
- e. Placed responders on standby.

PDRRMC Iloilo

- a. Disseminated early warnings to LGUs especially Northern Iloilo.
- b. Alerted the responders from 1st to 5th district for possible flooding and other typhoon-related incident within its AOR.
- c. Continuous monitoring at the Provincial Civil Defense Operations Center and Safety Office.
- d. Identified and presented the Evacuation Centers in the entire province.

PDRRMC Negros Occidental

- a. Disseminated information related to TD "VICKY" to LDRRMCs, member agencies and other stakeholders through media, radio outlets, email, SMS, and social media.
- b. Advised District Hospitals and Provincial Health Office to heighten its preparedness, initiate pro-active measure, readiness of hospital manpower to respond to any emergency situation, hospital service, and nursing; and placed

administration personnel on-call status for a quick emergency response and take appropriate actions.

- c. Advised LDRRMOs to heighten its preparedness, initiate pro-active measures, and take appropriate precautionary actions for possible flooding, flashflood, and landslide.

CDRRMC Iloilo

- a. Sent warning messages to Punong Barangays specifically to barangays located in waterways of Jaro and Calajunan.
- b. CSWDO prepositioned relief supplies for pre-emptive evacuation
- c. Continuous monitoring of major river basins such as Calajunan, Dungon creeks, and Jaro river.

CDRRMC Bacolod City

- a. Placed all BDRRMCs on standby in preparation for TD "VICKY".
- b. Suspended all sea trips to and from Bacolod City on 18 December 2020 due to the issuance of PAGASA TCWS No. 1 in Bacolod City.
